1. Leader in Me

- a. Staff attending symposium in Spartanburg, SC in February- 5 staff members from our school will be attending, Strickler shares that he believes this is the next step in possibly going forward with the program, he says this could be our 'theme' route. He says that we will be doing some sort of entire staff training in the summer and more discussion with the staff will come. N. Duncan says that when he did the "Expeditionary Learning" program it was better when the staff traveled further away from home because there was more engagement.
- b. Staff Meeting with TLiM- March 13th will be our "Leader in Me" information session with all faculty and staff.
- c. Staff visit a school on March 24- Mr. Strickler suggests that we invite the entire faculty and staff to spend TWD March 24th (required) at Avery's Creek Elementary has students observing the student's and staff at work in this "Leader in Me" school. L. Russo asks if we can opt out of going Strickler said he thinks no, committee discusses and seems to agree that we should all be required to go.

2. [School Improvement Plan](#)

- How to implement the SIT school wide?
 - Review the SIT and make a plan about how to explain to fellow staff members the steps of implementing the plan.
 - 1. Create grade level/team individual goal sheets
 - 2. Create and maintain experimental student data folders from now until the end of the year, fully implemented for 17-18 school year
 - 3. Surveys (pre and post) are forthcoming about differentiation
 - 4. Staff needs to do a small presentation of some sort from their book study
 - 5. Analyze data from surveys
 - 6. Compare evidence from surveys to analysis of EVAAS data

At 4:28 S. Strickler motions that we adjourn and J. Hamilton seconds.
